covid | horizon 2 | United States (US) | full history | raw-count updates | feedback delay 2 week(s) | Single trackers

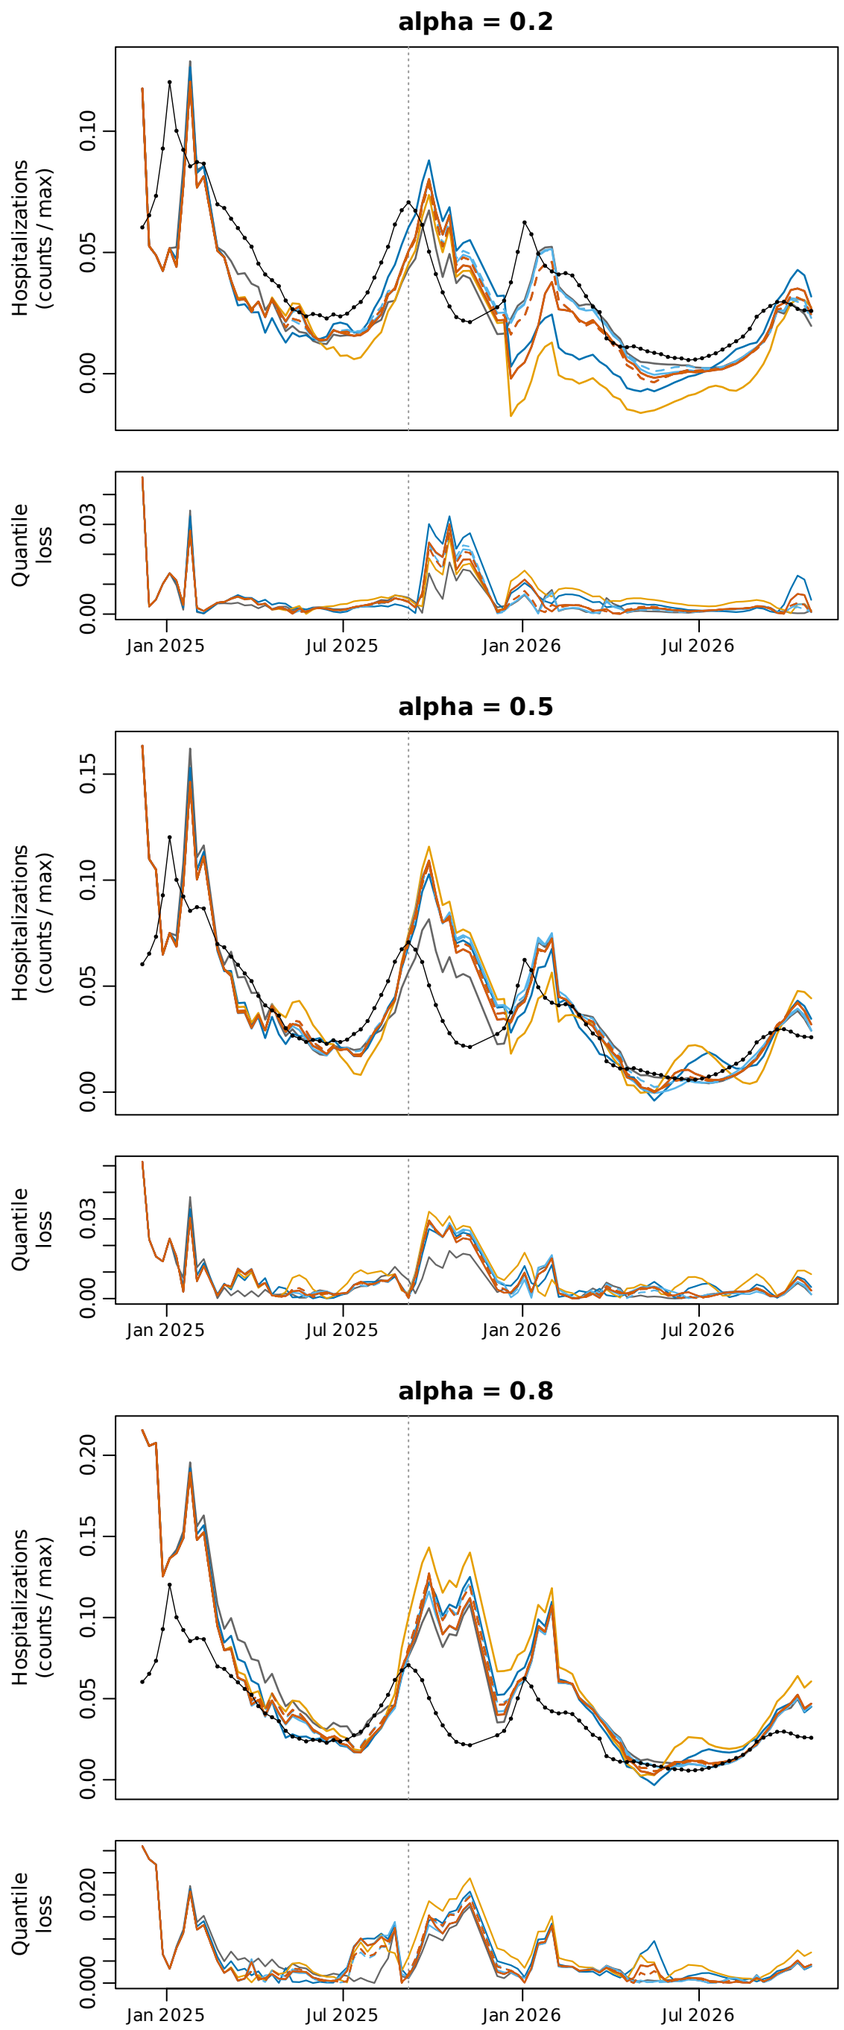

Issued alpha-quantile forecasts and their weekly pinball loss in counts / max against the latest reported counts | Dotted line: peak

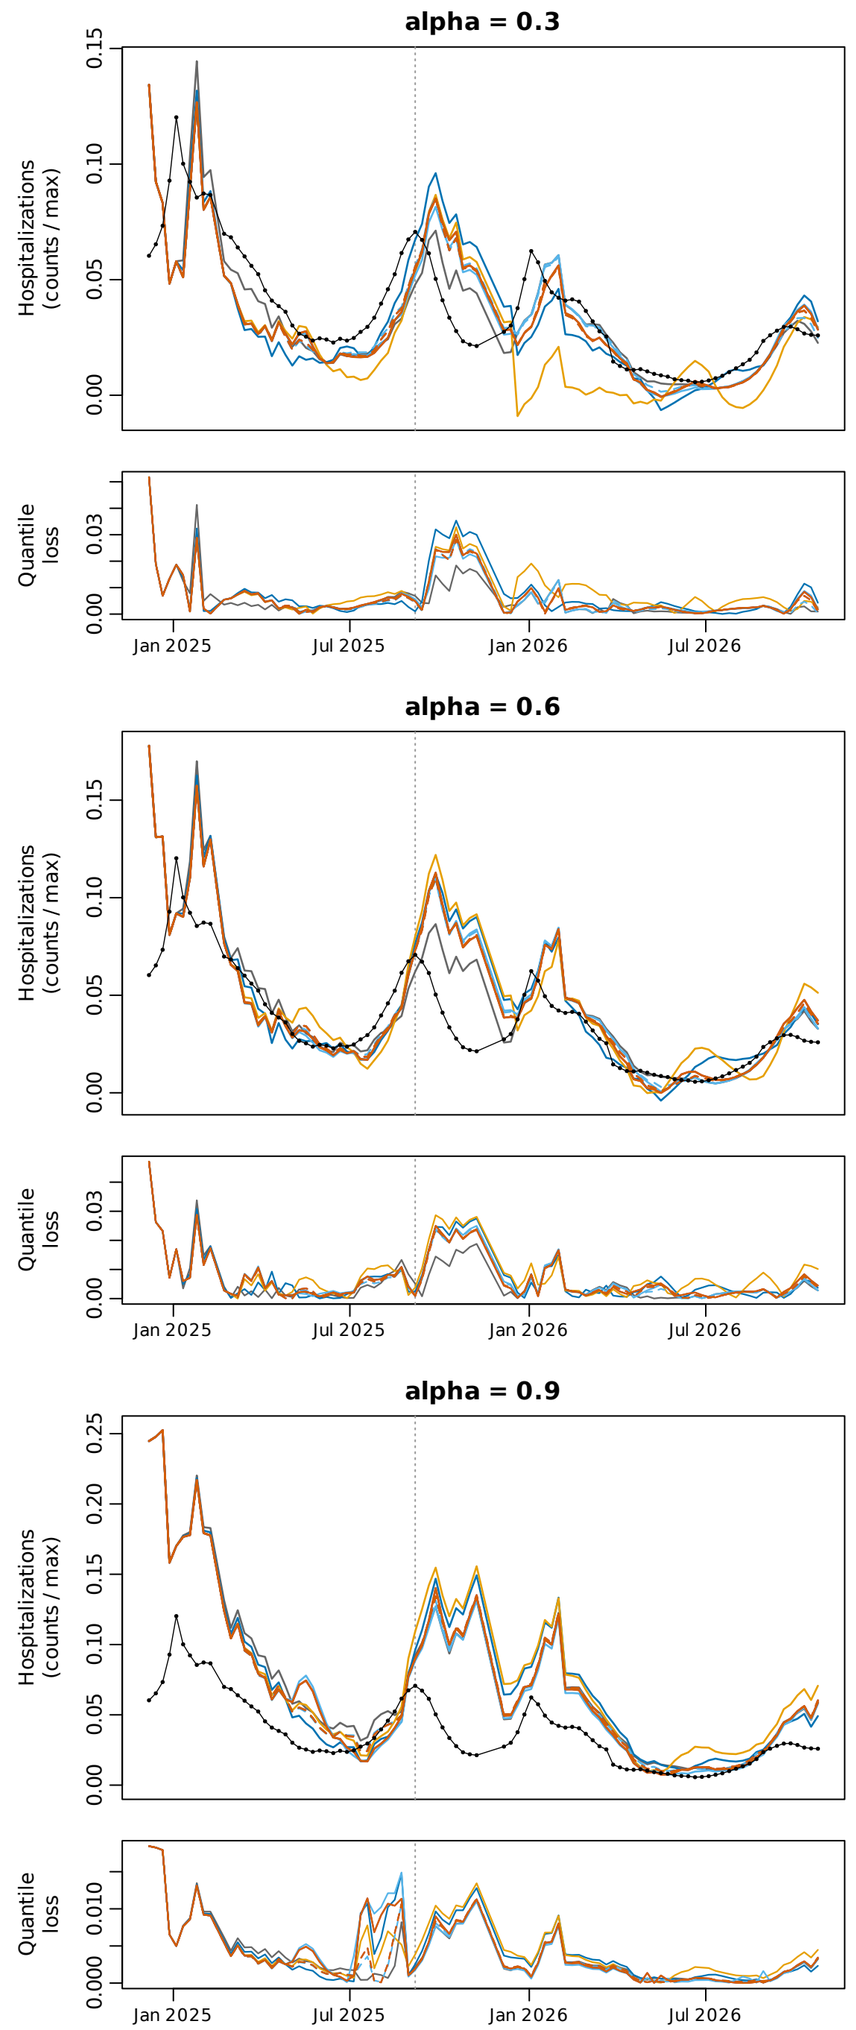

covid | horizon 2 | United States (US) | full history | raw-count updates | feedback delay 2 week(s) | Rate-grid experts

Issued alpha-quantile forecasts and their weekly pinball loss in counts / max against the latest reported counts | Dotted line: peak

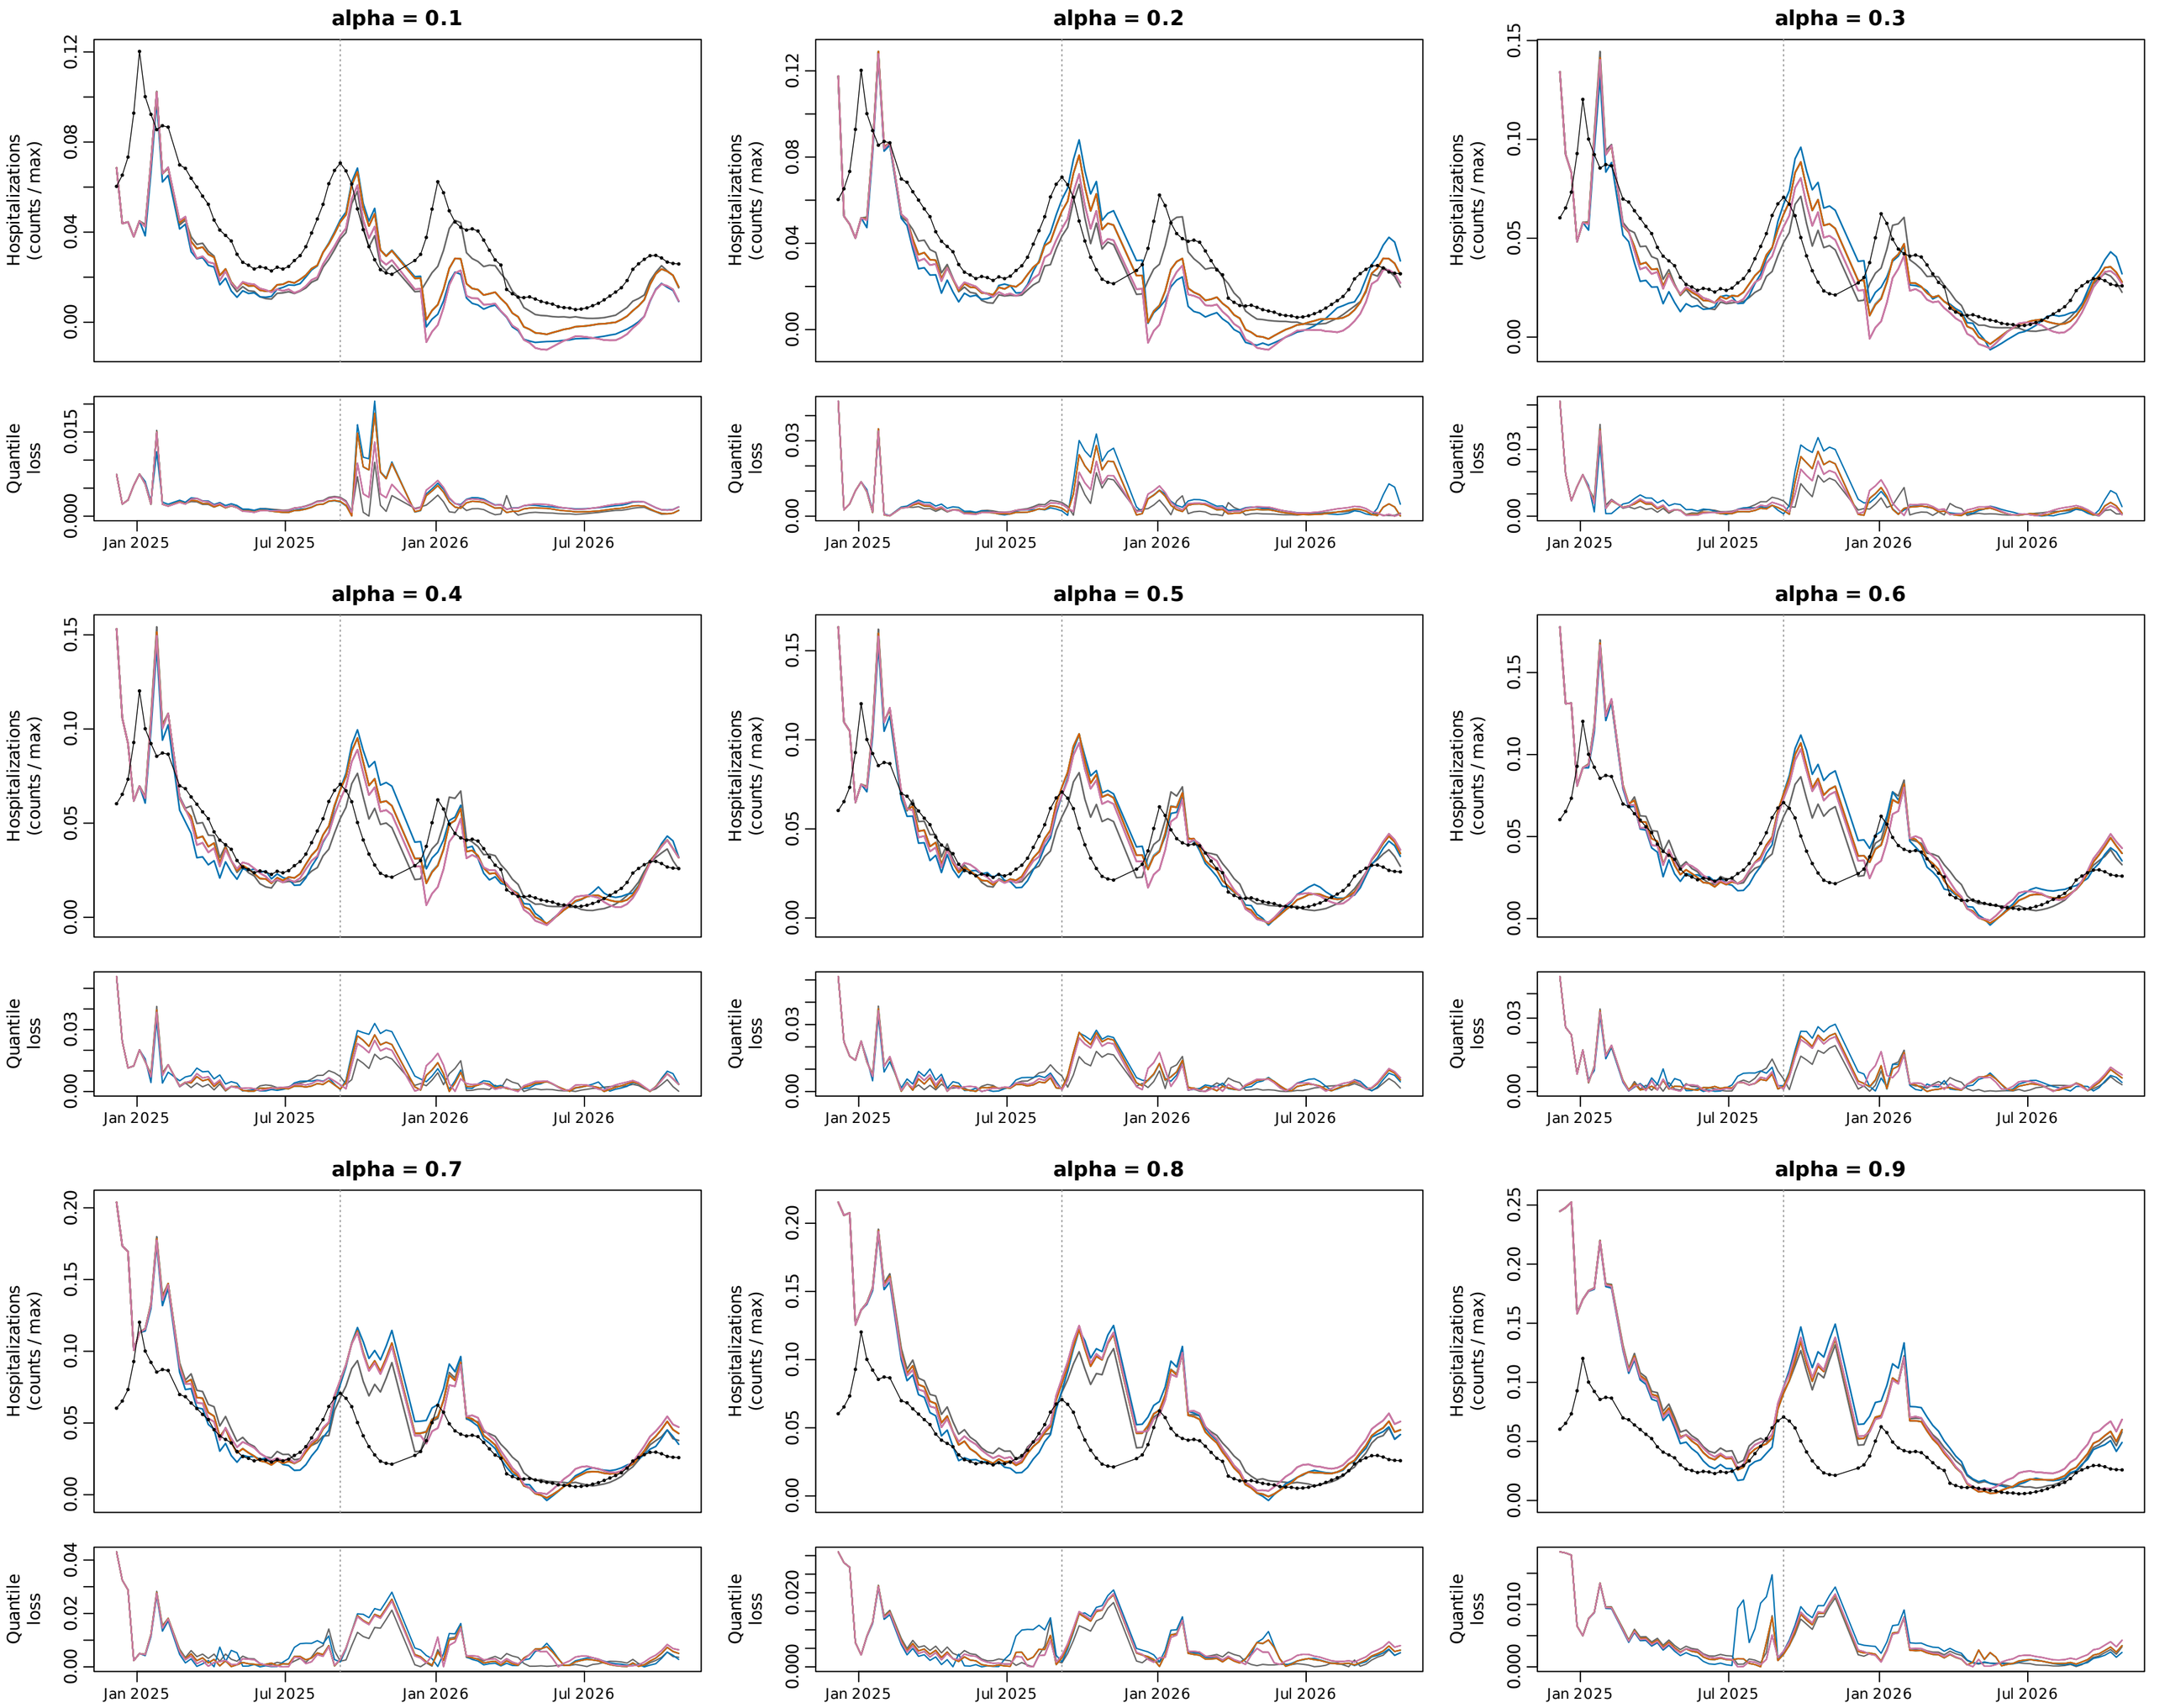

- Latest reported counts
- Original
- Fixed MultiQT (eta=0.05*S0)
- Rate grid: equal
- Rate grid: learned, no sharing
- Rate grid: learned, no sharing, common weights
- Rate grid: learned + sharing (H=8)
- Rate grid: learned + sharing, common weights
- Rate grid: sharing + outer (eta=0.005)
- Rate grid: sharing, common weights + outer

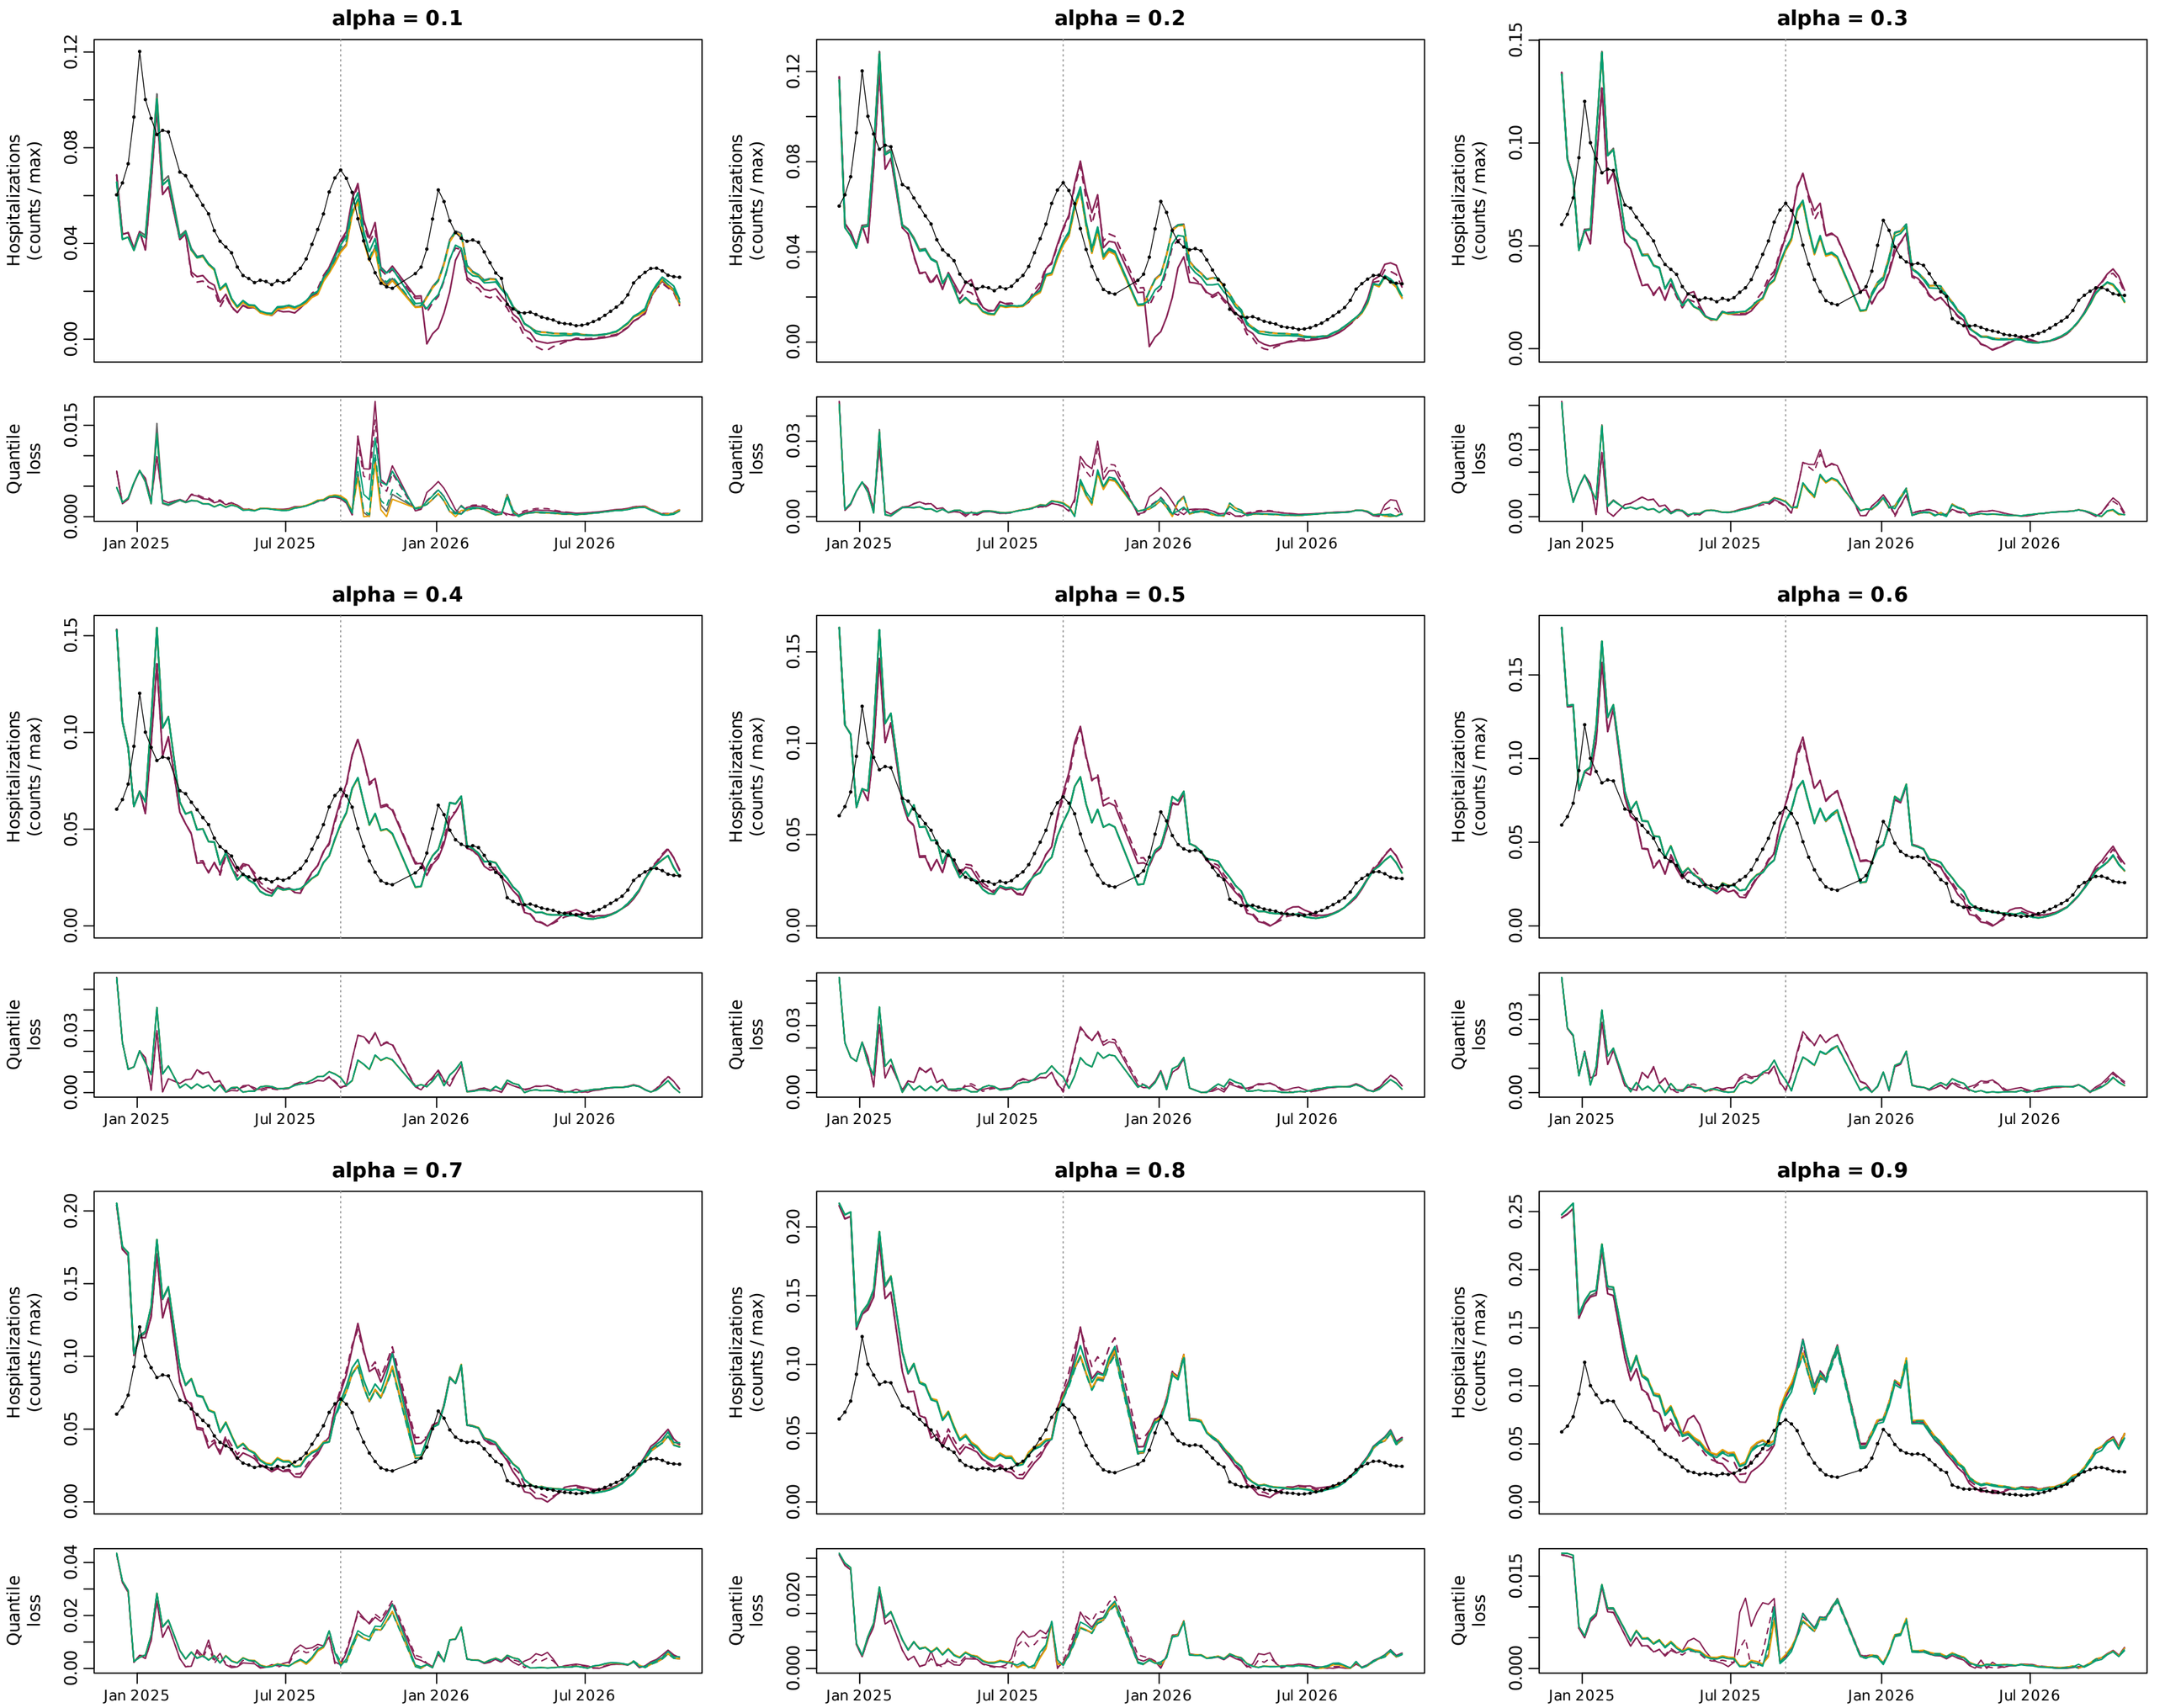

covid | horizon 2 | United States (US) | full history | raw-count updates | feedback delay 2 week(s) | Weekly starts: immediate admission

Issued alpha-quantile forecasts and their weekly pinball loss in counts / max against the latest reported counts | Dotted line: peak

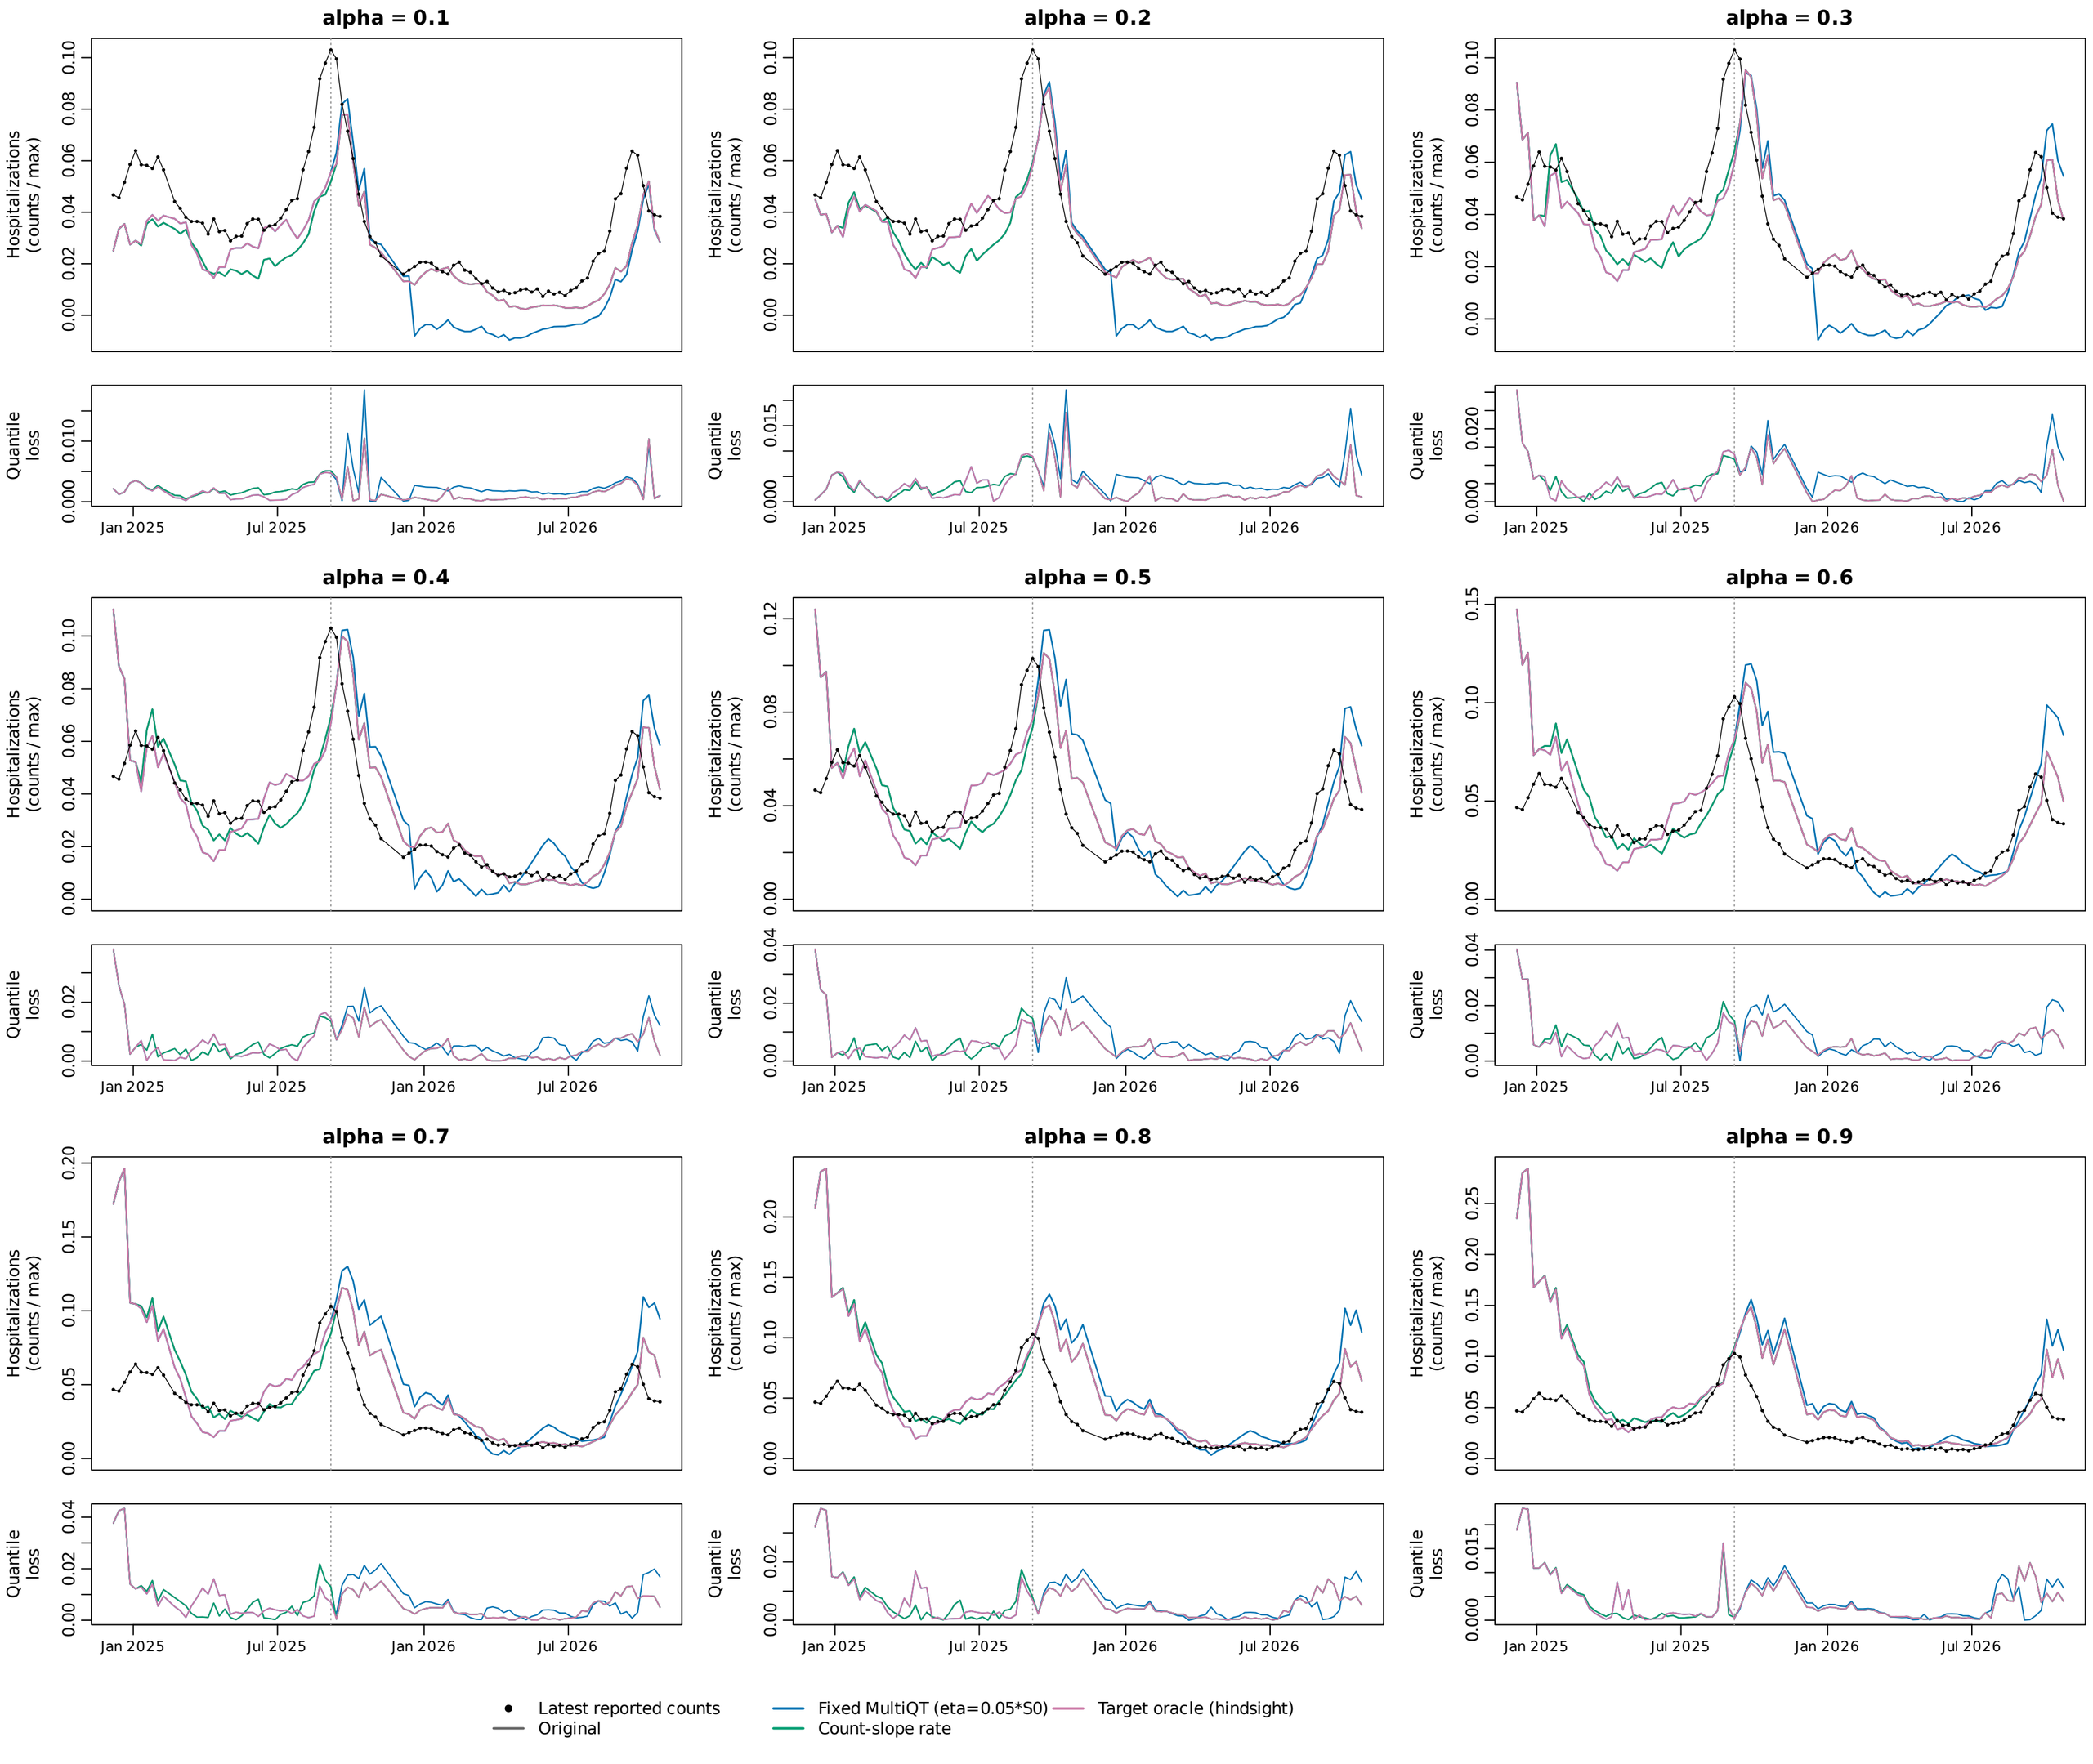

covid | horizon 2 | United States (US) | full history | raw-count updates | feedback delay 2 week(s) | Diverse experts

Issued alpha-quantile forecasts and their weekly pinball loss in counts / max against the latest reported counts | Dotted line: peak

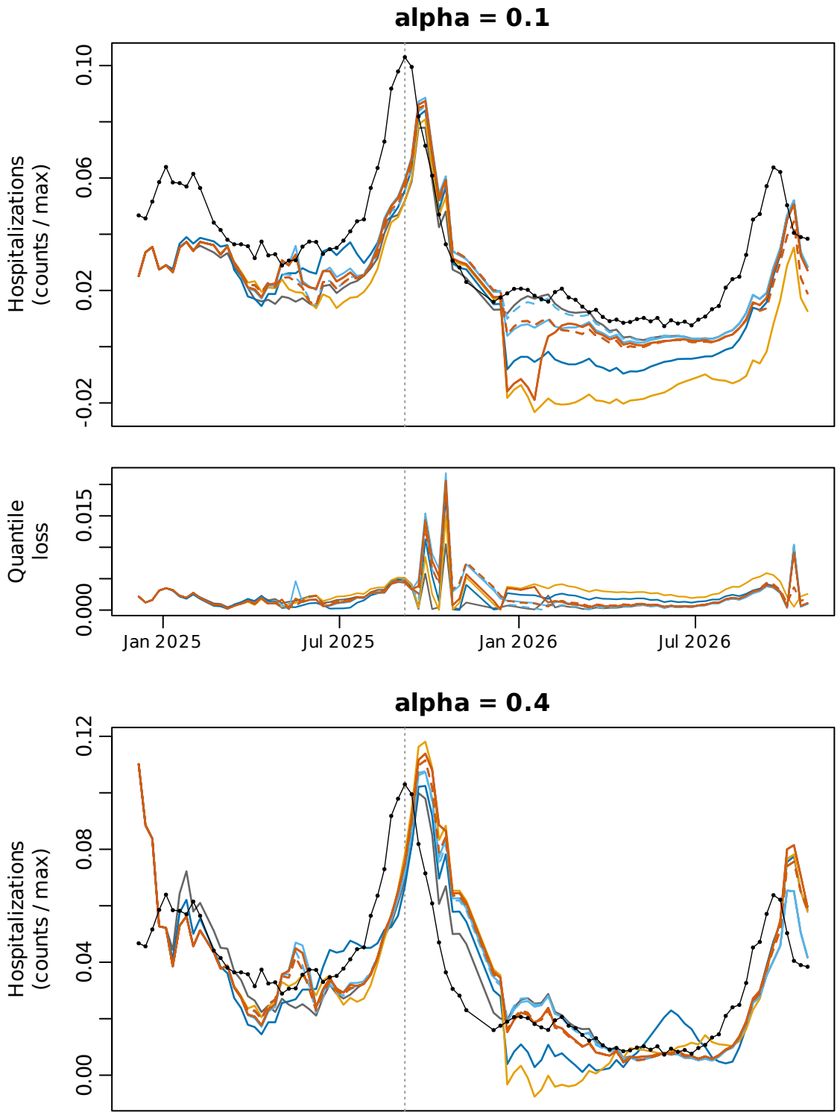

covid | horizon 2 | California (06) | full history | raw-count updates | feedback delay 2 week(s) | Single trackers

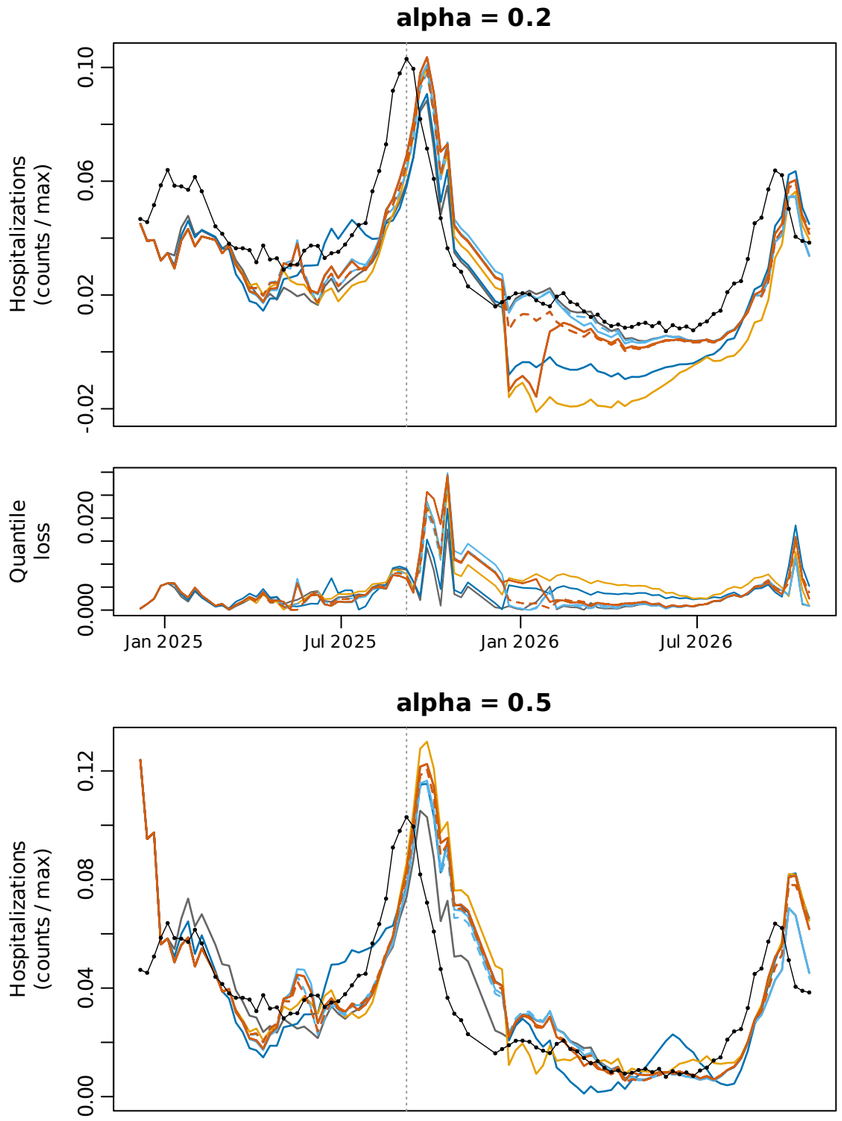

Issued alpha-quantile forecasts and their weekly pinball loss in counts / max against the latest reported counts | Dotted line: peak

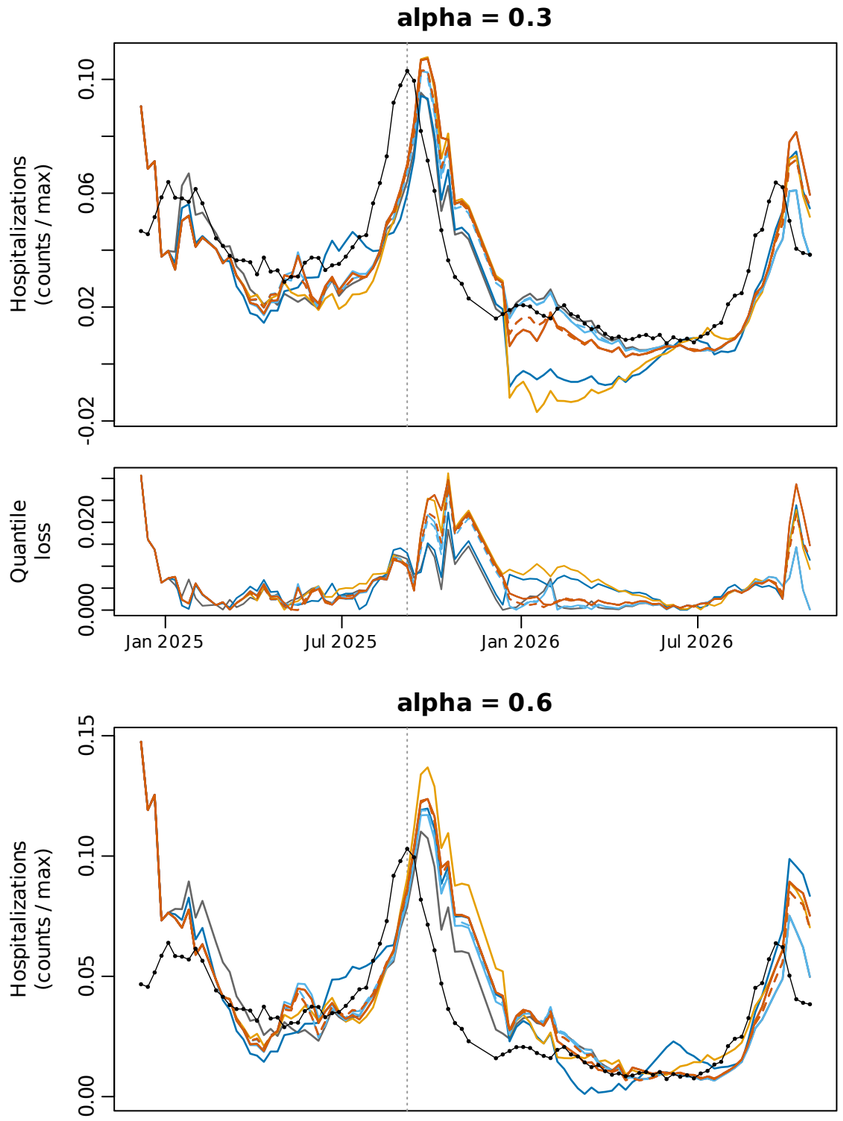

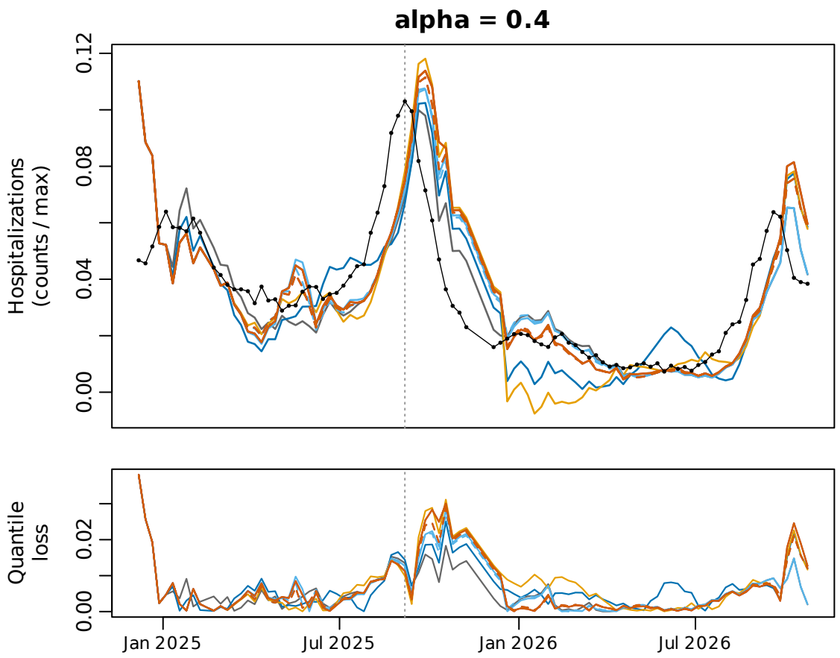

covid | horizon 2 | California (06) | full history | raw-count updates | feedback delay 2 week(s) | Rate-grid experts
